

Barker's Pit

Cache County, UT

Plan View

Unofficial Sketch Made by Lance Dickey
All other measurements are approximate
Estimated Depth: 160 feet
Estimated Length: 254 feet
Map style copied shamelessly from Brandon Kowallis

Entrance

Profile View

Like many in the area, this cave contains many vertical/near-vertical sections. Each caver should have a working understanding of vertical rope technique and use prudence in deciding the safest way to proceed.
